

CONSULT THE CALENDAR OF CONTRIBUTION

Check the wastes to exhibit every day in your area by following the colors in the boxes: each color in the table identifies the category of waste that you must expose in your area.

SUMMER TIME: Put the provided container for the waste category **from 1st may to 31st october from 8.00 pm until 00.00 am.**

WINTER TIME: Put the provided container for the waste category **from 1st november to 30th april from 7.00 pm until 00.00 am.**

For **EXAMPLE:** on Tuesday, in the Area A, the box contains two colors, brown and green: this means that you can bring out your home the container with the brown cover of the organic and the container with the green cover for glass.
